The House met pursuant to adjournment.

Representative Turner in the chair.

Prayer by Reverend Terry Hatcher who is the Pastor of First United Methodist Church in Champaign, IL.

Representative Stephens led the House in the Pledge of Allegiance.

By direction of the Speaker, a roll call was taken to ascertain the attendance of Members, as follows:

109 present. (ROLL CALL 1)

By unanimous consent, Representatives Black, Cross, Feigenholtz, Careen Gordon, Hoffman and Saviano were excused from attendance.

The membership of the House was temporarily reduced to 116 as a result of vacancies created by the resignations of Representative George Scully on February 26, 2009 and Representative Gary Hannig on February 27, 2009.

LETTER OF TRANSMITTAL

March 5, 2009

To the Clerk,

I, Representative Mark Walker would like to change my vote on HB 480 from a NO to a YES vote. I mistakenly pressed the wrong button.

Again, please change my vote on HB 480 from a NO to a YES.

Thank You,
s/Mark Walker
Representative, 66th District

Mark Mahoney, Chief Clerk
Illinois House of Representatives
Room 402, State House
Springfield, IL 62706

Dear Clerk Mahoney:

On March 5, 2009 I was recorded as a NO vote on House Bill 480. This was an error. I should have been recorded as an AYE vote.

Could you please correct the record.

Thank you in advance for your help in this matter.

Sincerely,
s/Elizabeth Coulson
State Representative

HOUSE RESOLUTION 152

Offered by Representative Zalewski:

WHEREAS, Although it is relatively uncommon in the United States, accounting for about 1% of total diagnosed cancers, the incidence of esophageal cancer has been increasing; and

WHEREAS, One factor contributing to this trend is greater prevalence of obesity, which increases the risk of one form of esophageal cancer known as adenocarcinoma; according to the American Cancer Society's estimates, in 2008 there were 16,470 new cases of esophageal cancer causing 14,280 deaths; the five-year relative survival rate for localized stage esophageal cancer is 34%, and the five-year survival rate for all stages combined is only 16%; and

WHEREAS, Symptoms of esophageal cancer generally do not appear until the disease has advanced; this fact illustrates the importance of educating the public about the various risk factors for this disease; early detection and proper diagnosis are also critical in order to treat esophageal cancer effectively; new ways to detect changes in genes may lead to the development of more accurate screening tests to find esophageal cancer at an earlier, more curable stage; and

WHEREAS, It is hoped that understanding these changes will lead to gene therapies for preventing or treating esophageal cancer; avoiding tobacco and excessive alcohol use can substantially reduce the risk of developing esophageal cancer; men have esophageal cancer at rates about three times greater than women do, primarily due to men's greater use of tobacco and alcohol; in addition, the risk of dying from this cancer is increased by approximately 50% in obese men; and

WHEREAS, People between the ages of 70 and 84 have the greatest risk for cancer of the esophagus; nearly 80% of people diagnosed are between the ages of 55 and 85; African Americans are twice as likely as Caucasians to have cancer of the esophagus; people with long-standing reflux or people with Barrett esophagus, a condition associated with long-term reflux of stomach acid into the esophagus, are at sharply increased risk; and

WHEREAS, A diet that is low in fruits, vegetables, and vitamins A, B2, and C increases the risk for esophageal cancer; specific quality-of-life issues associated with esophageal cancer include the inability to eat solid food, guilt associated with a history of tobacco and alcohol use, and end-of-life issues due to the low survival rate; and

WHEREAS, Cancer of the esophagus usually is diagnosed at a late stage and therefore has a poor outlook for survival; this kind of cancer can virtually be prevented by stopping, or never starting, tobacco use and by moderating alcohol use; screening endoscopy for people at high risk for this cancer can also increase early detection rates; typically, the earlier cancer is detected and diagnosed, the more successful the treatment, thus enhancing the survival rate; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we proclaim the month of May of 2009 be designated as Esophageal Cancer Awareness Month in the State of Illinois; and be it further

RESOLVED, That we declare that the Illinois government has a responsibility:

(a) to raise awareness about the importance of screening methods for, and treatment of, esophageal cancer;

(b) to increase research funding that is commensurate with the burden of the disease so that the screening and treatment of esophageal cancer may be improved, and so that the causes of, and a cure for, prostate cancer may be discovered; and

(c) to continue to consider ways for improving access to, and the quality of, health care services for detecting and treating esophageal cancer; and be it further

RESOLVED, That the Governor is requested to issue a proclamation calling upon the public officials and the citizens of Illinois to observe the month with appropriate activities and programs annually; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to Governor Pat Quinn.

HOUSE RESOLUTION 154

Offered by Representative Burke:

WHEREAS, Bisphenol A (BPA) is found in many consumer products, such as baby bottles and other

reusable containers made from polycarbonate plastic and in the epoxy resin coating used in most food and beverage cans, including canned infant formula; and

WHEREAS, Upon the request of the Commissioner of the United States Food and Drug Administration (FDA), the FDA formed an agency-wide BPA task force to facilitate cross-agency review and evaluation of current research and new information on BPA for all FDA regulated products and to make recommendations to the Commissioner regarding actions the FDA should take next regarding BPA; and

WHEREAS, As part of its evaluation, the task force has reviewed the concerns presented in the National Toxicology Program Brief published in September 2008 by the National Institutes of Health and the concerns presented in the Canadian risk assessment released in October 2008; and

WHEREAS, The FDA has considered the research and positions of other transnational food safety organizations, including the 2 risk assessments for BPA conducted by the European Food Safety Authority's Scientific Panel on Food Additives, Flavourings, Processing Aids and Materials in Contact with Food and the Japanese National Institute of Advanced Industrial Science and Technology; each of these documents considered the question of a possible low-dose effect and concluded that no current health risk exists for BPA at the current exposure level; and

WHEREAS, The FDA has been reviewing the emerging literature on BPA on a continuous basis; and

WHEREAS, In August 2008, the FDA released a draft safety assessment of BPA in food contact products and in October 2008, the FDA Science Board provided recommendations to the FDA to improve the safety assessment; and

WHEREAS, The FDA has reported back to the Science Board on February 24, 2009 on the progress they have made to address the Science Board recommendations; and

WHEREAS, It is altogether fitting and proper and in the public interest for us to urge the United States Food and Drug Administration to expedite their current review of bisphenol A in food containers and baby bottles; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Food and Drug Administration to expedite its current review of the safety of bisphenol A in products that contact food and take appropriate action based on its findings; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Commissioner of the United States Food and Drug Administration and each member of the Illinois congressional delegation.

HOUSE RESOLUTION 156

Offered by Representative Washington:

WHEREAS, 20 million Americans suffer from chronic kidney disease and an additional 20 million are at risk for kidney disease; 600,000 people in Illinois alone suffer from chronic kidney disease and over 15,000 are on dialysis due to kidney failure; and

WHEREAS, The Illinois House of Representatives recognizes that more can be done to prevent and lessen the effects of Chronic Kidney Disease (CKD) and improve the lives of millions of Americans; and

WHEREAS, Early detection is critical to helping those affected by kidney disease; the Illinois House of Representatives recognizes that early detection and treatment in its early stages can delay the onset of end stage kidney failure, which in turn reduces the number of patients that require dialysis and reduces the long-term effects of the disease, including its impact on diabetes and cardiovascular disease; and

WHEREAS, African-Americans and Hispanics currently suffer from chronic kidney disease at a rate that is four times higher than the overall rate of Americans diagnosed with CKD; and

WHEREAS, Targeting specific populations can help maximize the efficiency of catching the disease in its early stages, saving not only money but greatly improving the quality of life of those affected by the disease; and

WHEREAS, We have affirmed our support for early detection and education programs offered through the National Kidney Foundation of Illinois and World Kidney Day; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate March 12, 2009 as "World Kidney Day" in the State of Illinois; and be it further

RESOLVED, That we support public policy initiatives in this area and acknowledge the need for education and awareness to support applicable medical treatment specific to the populations at greatest risk in eliminating this health disparity.

HOUSE JOINT RESOLUTION 30

Offered by Representative Biggins:

WHEREAS, Section 14.1 of the Toll Highway Act provides that prior to the issuance of bonds for or the commencement of construction of any new toll highway, that particular toll highway shall be authorized by joint resolution of the General Assembly; and

WHEREAS, The General Assembly finds that it is in the best interests of the people of the State of Illinois to expand the toll highway system; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the facts found in the preamble of this resolution are hereby found to be true and correct; and be it further

RESOLVED, That the Illinois State Toll Highway Authority be authorized to expand the Illinois toll highway system to include a Bypass to O'Hare International Airport (commonly known as Western Access) to be constructed generally along the western edge of the O'Hare International Airport between I-90 (Northwest/Jane Addams Tollway) and I-294 (Tri-State Tollway), and with the extension to be constructed in a generally east-west direction between west of I-290 (near Roselle Road) at the west and the Bypass at the east (commonly known as the Elgin-O'Hare Expressway); and be it further

RESOLVED, That construction of the referenced Bypass be completed no later than December 31, 2015; and be it further

RESOLVED, That the completion of said construction by 2015 is necessary to ensure operational stability for vehicular traffic on the west side of the Airport with the completion of the improvements associated with the O'Hare Modernization Program and the creation of approximately 44,000 new jobs created resulting from the referenced improvement; and be it further

RESOLVED, That the referenced completion comports with the timeline required for the many infrastructure improvements required to be in place for the City of Chicago to host the 2016 Olympic Games; and be it further

RESOLVED, That a copy of this preamble and resolution be immediately forwarded to each of the Directors of the Illinois State Toll Highway Authority.

HOUSE JOINT RESOLUTION 31

Offered by Representative Beiser:

WHEREAS, The economic downturn is having a critical impact on everyday Americans who are struggling to maintain or find jobs in an increasingly difficult environment; and

WHEREAS, Those same Americans are the taxpayers that provide the revenue needed to operate essential government services; and

WHEREAS, Congress has approved and President Obama has signed into law a taxpayer-sponsored economic recovery package that will provide billions of dollars to help economically devastated cities and states immediately provide jobs to millions of out-of-work Americans through considerable infrastructure rebuilding, green energy projects, and other projects that will require manufactured components; and

WHEREAS, Our taxpayer dollars should be spent to maximize the creation of American jobs and to restore the economic vitality of our communities; and

WHEREAS, Any domestically produced products that are purchased with economic recovery plan moneys will immediately help struggling American families and will help to stabilize our greater economy; and

WHEREAS, Any economic recovery plan spending should, to the extent possible, include a commitment from the State to buy materials, goods, and services that are produced within the United States, thus employing the very workers who pay the taxes for the economic recovery plan spending in the first place; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the State will work to maximize the creation of American jobs and restore economic growth and opportunity by spending economic recovery plan funds on products and services that both create jobs and help keep Americans employed; and be it further

RESOLVED, That the State commits to purchasing only products and services that are made or performed in the United States whenever and wherever possible with any economic recovery moneys provided to the State by the American taxpayers; and be it further

RESOLVED, That the State will publish any requests to waive these procurement priorities so as to give American workers and producers the opportunity to identify and provide the American products and services that will maximize the success of our nation's economic recovery program.
